Selecting a day in the calendar widget jumps to that day in the feed.

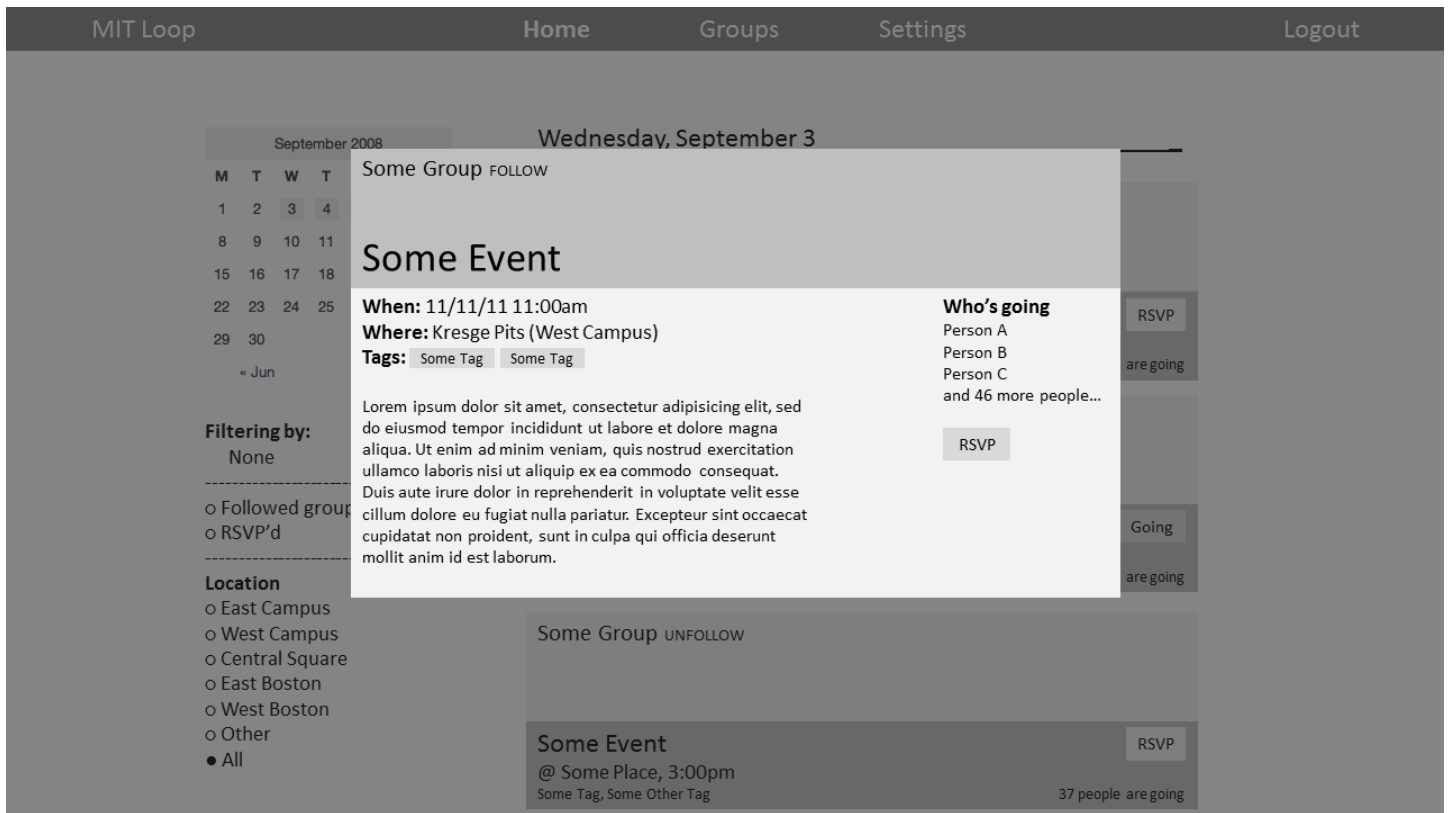

Selecting a filter refreshes the feed.

Clicking on “Follow” or “Unfollow” next to a group name toggles the text accordingly.

Clicking on “RSVP” toggles it to “Going”.

Clicking on an event box opens up the modal in the next page.

Event Detail Modal

If you are an admin of this group, a pencil icon will appear in the upper right allowing you to edit the event, as shown in the next page.

Event Create/Edit Modal

The screenshot shows the MIT Loop application interface with a modal open for creating or editing an event. The modal is titled "Some Group" and contains the following fields and controls:

- When:** A date and time picker.
- Where:** A location dropdown menu with "General Location" selected.
- Tags:** A list of tags including "Some Tag" (with a remove 'x' icon) and "Add..." (with a dropdown arrow).
- Upload Picture:** A button to upload an image.
- Cancel Event:** A button to cancel the event.
- Post/Save:** A button to post or save the event.

The background of the application shows a calendar for September, a "Filtering by:" section with "None" selected, and a list of locations including "East Campus", "West Campus", "Central Square", "East Boston", "West Boston", "Other", and "All".

White boxes are input fields.

Clicking on the “When” opens up a calendar and clock widget.

Tags can be removed by clicking “x”, and added by selecting a tag from the dropdown (a new box for the tag will appear, and the dropdown will shift right).

Uploading a picture immediately displays it in the banner.

If this modal was reached via the editing pencil icon from an event detail modal, then the fields will be pre-populated.

Same feed functionality as the main page, sans filtering, and only displaying events hosted by this group.

If you are an admin of this group:

- A “+” icon will appear in the top right allowing you to create an event, as shown in the previous page;
- A “Add Admin” button will appear above the description box, allowing you to designate another user as an admin of this group;
- A pencil icon will appear beside “Description” allowing you to edit the group description;
- An “Upload Picture” button will appear in the bottom right of the banner allowing you to update the group image;
- A “Delete Group” link will appear below the description box.

All Groups Listing Page

The gray boxes between the letters will contain links to groups' pages (see previous page).

If you are not logged in, the right-hand column ("My Admin Groups", etc) will not appear.

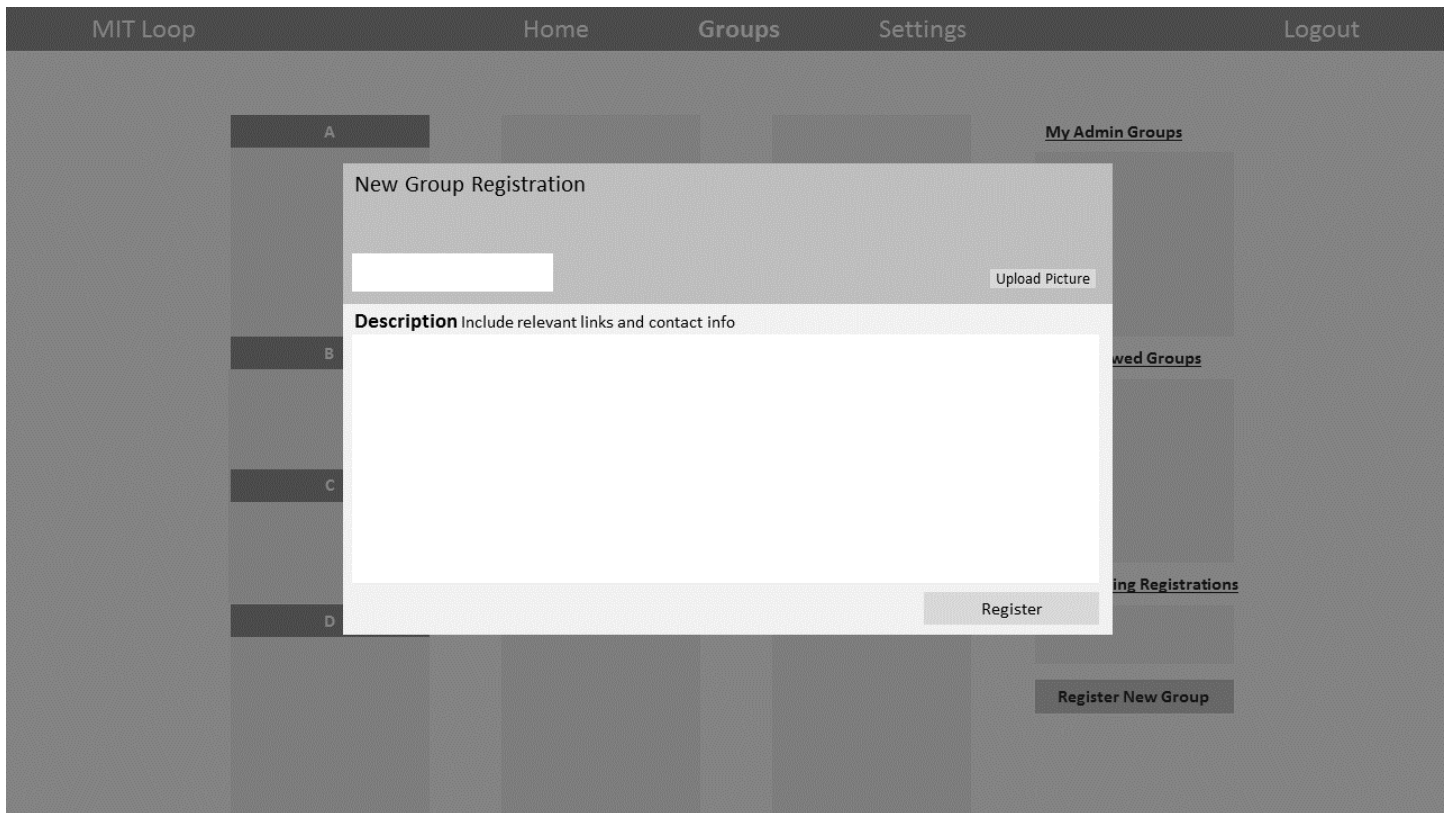

An "x" will appear next to each link under "My Admin Groups", allowing you to remove yourself as an admin to that group.

An "x" will appear next to each link under "My Followed Groups", allowing to quickly unfollow that group.

Clicking on "Register New Group" opens the new group registration modal, as shown in the next page.

Clicking on a link in "My Pending Registrations" opens the group registration review modal, as shown the next page.

New Group Registration Modal

The image shows a web application interface with a top navigation bar containing 'MIT Loop', 'Home', 'Groups', 'Settings', and 'Logout'. On the left, there is a sidebar with a vertical list of items labeled 'A', 'B', 'C', and 'D'. The main content area is partially obscured by a modal window titled 'New Group Registration'. The modal contains a text input field, an 'Upload Picture' button, a 'Description' label with the instruction 'Include relevant links and contact info', a large text area, and a 'Register' button. In the background, there are links for 'My Admin Groups', 'My Followed Groups', and 'My Pending Registrations', along with a 'Register New Group' button.

Pending Group Registration Review Modal

The image shows the same web application interface as the first modal. The modal window is titled 'Some Group'. It displays a block of Lorem Ipsum text, a website URL 'http://www.website.com', and contact information: '(111) 111-1111', 'contact@email.com', and 'Contact Person'. A 'Cancel Registration' button is located at the bottom right of the modal. The background elements, including the navigation bar, sidebar, and various links, are consistent with the first image.

[Deny](#)[Approve](#)

Some Group

Lorem ipsum dolor sit amet, consectetur adipisicing elit, sed do eiusmod

Navigation bar item appears if you are logged in as a site admin.

Site admins are automatically a group admin for every group (can perform all group admin actions).

Click “Approve” to create the proposed group; that group will then get a page and can start posting events, and the original proposer will be the initial admin for that group.
